O R D E R:

In the reference 1st read above, Sri Sreeram Rajagopal, M.L.A., Jaggaiahpet Constituency has informed that during the years of scanty rain fall during summer period, water could not be drawn for the full requirement and the source is getting dried up during some years and the Jaggaiahpet Town is facing water supply shortage in many areas. The drinking water shortage problem is being faced by the public every year. As such source improvement is to be taken up immediately so that the existing water supply system can be utilized properly. He has, therefore, requested to sanction the Water Supply Improvement for Rs.27.20 Crores under Hon'ble C.M. Assurance, so as to solve the drinking water problem of the Jaggaiahpet Town.

2. In the reference 2nd read above, the Engineer-in-Chief, Public Health, A.P., Guntur has informed that the present source of Water Supply for Jaggaiahpet Municipality is Infiltration Wells and gallery located in Paleru River which is a tributary to Krishna River. The Paleru river completely dried up during the past two consecutive years i.e., 2012 & 2013 in critical summer period and the yield from the Infiltration Wells got drastically reduced. During the year 2015 also due to deficit rain fall during the rainy season in the month of October, the Infiltration Wells & Gallery got dried up. The deficiency was partly met from the deep bore wells provided near the existing head water works. The present source is not reliable and supply from Paleru river is not assured during summer and as an alternative measure limited quantity of water is being supplied from deep bore wells during summer season. Hence, it is necessitated for providing Comprehensive Water Supply Scheme with Krishna River as source located about 8.20 KM. from Jaggaiahpet Town and requested to sanction an amount of Rs.28.90 Crores for providing water supply scheme to Jaggaiahpet under Phase-I from any special grants.

(P.T.O.)

3. In the reference 3rd read above, the Engineer-in-Chief, Public Health, A.P., Guntur has requested to accord administrative sanction to take up the Jaggaiahpet Water Supply Improvement Scheme with an estimated cost of Rs.18.90 Crores with the Plan funds of the Engineer-in-Chief, Public Health, A.P., Guntur from the following Head of Account "2215-01-101-11-SH(04)-310-319 – Assistance to Municipalities and Corporations".

4. Government after careful examination of the matter, hereby accord administrative sanction to the Engineer-in-Chief, Public Health, A.P., Guntur for taking up of Jaggaiahpet Water Supply Improvement Scheme with an estimated cost of Rs.18.90 Crores, so as to solve the drinking water problem in Jaggaiahpet Town and for Improvement of Water Supply Scheme. The total expenditure shall be met from the Plan funds of the Engineer-in-Chief, Public Health, A.P., Guntur from the following Head of Account "2215-01-101-11-SH(04)-310-319 – Assistance to Municipalities and Corporations".

5. The Engineer-in-Chief, Public Health, A.P., Guntur shall take necessary further action in the matter, accordingly.

6. This Order issues with the concurrence of Finance (FMU-I-I, EF, MA) Department vide their U.O.No.44027/13/2017, dated 10.03.2017.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
